

Message from Tori:

~~~~~  
 Yay! I Think to Akatsuki released in less than two weeks :D!  
 And there's still two more chapters planned this month. Then it's  
 back to translating more chapters. Hopefully I can get two release  
 as early every month. I think that's the most realistic goal, since  
 both Tori and I will be going back to school soon. My ultimate  
 goal for Think to Akatsuki is reaching 5000 fulltime and ending  
 up to the latest volume. So enough of my rants, enjoy reading!
